Income eligibility is a factor in some of the programs provided and will be discussed when inquiries are made concerning service needs. A few of the Commission on Aging programs, such as the Activity Center Travel Program, are based on a fee per service. Most of the services of the Commission on Aging are provided on a donation basis. Services are never denied due to an inability to donate. **COA PROGRAMS & SERVICES: FOOD WITH FRIENDS:** A Nutrition Program that has two components: Home Delivered Meals and Congregate Meals. Both programs are operated by the Isabella Co. COA in Isabella and Gratiot Counties. Programs provide nutritionally balanced meals to individuals sixty (60) years and older or to the spouse of someone sixty and older. Home Delivered Meal recipients must be assessed by a Case Manager and determined to be homebound, physically or mentally unable to attend a Congregate meal site or unable to adequately prepare their own meals. The Congregate Meals Program provides meals at twelve sites through out Isabella and Gratiot Counties. These sites promote better health through improved nutrition and social and educational activities to help reduce social isolation. **GOLD KEY VOLUNTEER PROGRAM:** The Gold Key Volunteer Program provides opportunities to both Older Adults and younger individuals. The Senior Companions work with homebound adults, Mid-Michigan Industries, Mt. Pleasant Center and the Adult Day Program. For their services the volunteers receive a small non-taxable stipend, transportation reimbursement, as well as other benefits.
